Winners Announced for the 2013 –2014 Texas Big Game Awards Field Photo Contest

Hunters are the ultimate conservationists. They pay the bills for conservation of game and non-game wildlife habitat and help drive the state and national economy. One of the best tools that we as sportsmen have to tell our conservation story is high-quality field photography. Texas Big Game Awards (TBGA) wants to recognize those hunters who go the extra mile to capture that special moment in the field in a tasteful and respectful manner while considering all of the important factors such as light, backdrop, native habitat and hunter/animal position. Congratulations to the following hunters for submitting winning photos for the 2013-2014 TBGA Field Photo Contest.
